Business content

Our main business is the manufacturing and packaging of confectionery ingredients and dairy products.

There are two main directions.

- baking sugar, ringing cookies, crackers
- Chocolate coating of confectionery ingredients

Baking: There are two full-cycle lines from flour preparation with automatic feeding to finished product output for packaging. One of the lines is equipped with a laminator and produces European quality crackers. We also have a line that produces chocolate centers that are coated with icing sugar.

Draining: A fully automatic cabin for coating various centers (cookies, nuts, etc.) with chocolate or glaze, including an extrusion process.

Our main customers are large international companies with production in Russia and large Russian manufacturers of dairy and confectionery products. Other international customers are companies from China and Poland.
